# 2019 COMPANY OVERVIEW

## **OUR MISSION - TO MAKE MONEY AVAILABLE**

#### **Creamfinance is a leading tech-focused** consumer loans company

offering multiple credit products for lower and middle-income borrowers in emerging markets.

**Creamfinance offers** one month single pay, 12-month installment loans and lines of credit to consumers across the operating markets.

#### **Creamfinance has experienced strong growth**

since its founding and has achieved a top 3-6 position in each of its operating markets with minimal capital investment to date.

#### **Creamfinance's future growth**

is fueled by continued share expansion within its existing consumer lending markets and the introduction of selected new markets where its unique model can be applied with full potential.

#### Creamfinance acquires customers at much lower costs and with better underwriting performance than its competitors.

We use a proprietary technology and underwriting platform that incorporates multiple unique data sources coupled with strong risk management and localized collections practises.

#### **Creamfinance is headquartered in Warsaw, Poland**

and employs over 400 people accross its offices.
